Video: The Final Countdown “Dear Mr. Crone I have recently came across your "final countdown" series. My life was recently changed in february in an instant, In one day. It is hard to still imagine and comprehend that all the sin i was conformed to was put to a halt in a day. God guided me to studying many things. particularly to understand the signs of the times we are living in. Luke 12:56 is what God opened my eyes to. And I have downloaded your whole series on "The Final Countdown" to aid in my studies and what God has put in my heart to do. (warn others). God Clearly allowed me to see that your sermons are the most valuable. I don't know how to say how grateful I am for God to have changed a man such as yourself. I also hope to be able to hear your discipleship 101 series and all other series once I am finish taking notes on this series. Im Josh, and I'm from New Mexico. Im 19 years old. I look forward to hearing from you and possibly seeing you. It would be a blessing and may God bless you, your family and the congregation you witness to.” (Josh from New Mexico)

Video: Various Videos “Pastor Billy, I just discovered you a few months ago on Radio Liberty and I have learned so much listening to your sermons. I am a Christian, I homeschool my kids, but I live in a very secular city - Seattle, and my neighbors, who are friends and I love, don't want to hear about Jesus, or anything real really.” (Cori from Washington)

Video: Various Videos “Hi Billy! I absolutely LOVE your sermons.. you've helped solidify my faith in so many ways.. I really enjoy your teachings and your enthusiasm. I was watching one of your youtube videos about the formation of the Grand Canyon. I hope you can help me thank you Billy and God Bless you and thank you.” (Lisa)

Video: Various Videos “Pastor Billy, I LOVE your lessons!! I loved your style and delivery!!!! Pastor Billy, God has blessed you greatly. With all love and respect.” (Carolyn from Kansas)

Video: Various Videos “Dear Pastor Billy, you are a blessing to my wife and I. Please keep up the good work. The other day, while driving, Maureen asked me what I was thinking. This is what I told her. "I was thinking of John the Baptist, and Billy Crone. In John Chapter 1, the priests and Levites came to John to ask him who he was. John said that he was not the Christ, and that he was not Elijah, and that he was not a prophet. They asked him, well, who are you? John said, "I am the voice of one crying in the wilderness, "Make straight the way of the LORD.” I see a similarity, as they are both "a VOICE crying out in the wilderness, to make straight the way of the LORD." Her answer was, "That doesn't surprise me." I heard you today on the radio with Noah Hutchings on South West Radio. Keep up the good work. Your ministry is affecting lives. Soli Deo Gloria.” (David and Maureen)

Video: Various Videos “I enjoy all of your sermon series! You are a true blessing!” (Walter)

Video: Various Videos “Hi Billy, I gave my husband and my son your answers regarding the ancient alien shows, and they both found the answer to be something they could grasp

on to. In fact, my husband looked interested and would like to sit and watch your videos with me this weekend. He rarely wants to listen to a sermon, so, this is huge! For years I've been telling him about Jesus, and end time prophecy. He made a comment to me a few weeks ago that he's afraid that the current world situation is making way for the Anti Christ. I nearly fell off my chair when he said it. That means he's thinking, and I think your videos will push him to the right side of that fence he's sitting on. I'll be watching the Prophecy Summit online and I look forward to your talk, and everybody else that will be speaking. I've learned a lot from you! You are among some pretty incredible teachers. :) Prophecy is my favorite thing to study. What I'd give to get you all in a room for a day and ask questions. Thank you again, and have a super blessed day! Thank you again. “
(Angie)

Video: Various Videos “Pastor Billy, I am disappointed I was unable to attend the PITN summit in Colorado Springs. My disappointment increased when I discovered you were a guest speaker at the conference. Ever since I heard you during an interview with Watchman on the Wall, I have followed your ministry, and ordered many of your dvd series on eschatology. Each one has been thoroughly engaging and very informative. It is my hope you plan to attend another PITN conference in the near future. I currently serve as pastor of a small congregation, and as Vice President of a local seminary in the Augusta, GA area, and I hope another conference will be held in Orlando, and that you will be asked to speak. Either way, I look forward to meeting you in person. You Brother in Christ.” (Pastor Alan from Georgia)

Video: The Final Countdown “I very much enjoyed watching these sermons after downloading them from your website, and hope to encourage both my church, my brothers church, and my parents church, to consider viewing them.” (Jerry from Indiana)

Video: The Final Countdown “Pastor Crone, thank you for being at the Prophecy Conference in Colorado Springs last week-end. Your presentations were outstanding!” (Joey and Felecia)

Video: Various Videos “Hello Pastor Billy: I want to thank you for all of the amazing video presentations you have done over the years! I believe God was pulling me towards him during the course of my life. I wasn't raised in the church but I always knew God existed by looking at the creation around me. In my case I was at a very low point in my life and was brought to my knees in repentance and cried out to Christ for forgiveness. Thank you for your time. God Bless.” (Sean)

Video: Various Videos “I have been studying the creation topic since engineering school. I have not finished going through your whole creation DVD set yet but the information is excellent. Which leads me to my next question. On a couple of the DVD's you mention to get your notes because there is not enough time to cover everything on the DVDs. So far I have not found these creation notes on the website. Are they available? What format? i.e. is there an electronic version of these notes. For that matter do you offer a powerpoint of the same presentation? Mainly I was after the notes but will take whatever I can get on creation and evolution. God Bless.” (Mark)

Video: Various Videos “I just want to thank you all for helping me and my family renew and energize our faith in the Lord Jesus Christ, helping us know His love and will for our lives. I have been a Christian for 30 years, but because of a disability, I was unable to attend Church and my faith got weaker, though I never stopped trusting in Jesus. This ministry has awakened me to a lively faith! Thank you so very much! Also, I copied 100 of your sermons on my computer to give to others. Thank you and God richly bless your ministry! Sincerely, your sister in Christ Jesus.” (Janet from California)

Video: Various Videos “I heard Pastor Crone on the Prophecy in the News and was wondering if Pastor had any books in print? Second, I have a friend that has moved to LV and was wondering if I sent you their name and address if you might contact them and invite them to church? Thanks and I certainly enjoyed the program with Pastor Crone.” (Denise)

Video: Various Videos “Billy, I live in Lexington KY. I enjoy and study your work. You are quickly getting a reputation as a highly credible end times guy alongside names like Chuck Missler, LA Marzulli, Bill Salus... etc. Your Final Countdown and UFO updates are eagerly awaited. Especially the UFO connections to the Vatican. I've been studying some material by Thomas Horn and Chris Putnam on that very topic. I just watched One World Religion again. Your explanation of how most wars are NOT started by religion... spot on! I love the way you broke it down by each war. My wife Linda and I both know the times we live in and anxiously await the rapture. Everything we see today is tragic, but as Jesus said... "these things must happen". It's hard to watch the spiritual and moral demise of our nation and the world. Harder still to watch our president and nation poke God in His eye by their deplorable treatment of Israel. Thank you for taking the time and using your talents to teach all of this. Every morning my wife teases me because I have... "breakfast with Billy" LOL But it really is a great way to start the day. You have been a huge blessing to both me and my wife. Warmest Regards Your brother in Christ.” (Bill from Kentucky)

Video: The Final Countdown “Hi Pastor Crone, my name is Danail, Bulgarian living in Oxford England. I recently watched the final countdown series. They're great, really opened my eyes. I was going to Mormon church but realised how wrong it is and stopped. Reading the bible now. Thank you.” (Danail from UK)

Video: The Final Countdown “Good morning from South Africa. My son in law Hans Bekker downloaded most of your series and when he start talking about them I also watch them. He told me that you are OK with it that we copy them en spread them. I agree with everything that you say and comment you on your research. The UFO's make sense now. Just to say that your series is spreading like wild fire and we love it. SA at this point in time is still acceptable for the truth of the gospel. God bless you all and keep up the good work.” (Lucia from South Africa)

Video: Various Videos “I just wanted to say thank you for working for the Lord. I’ve been watching your videos online and praise God, a preacher that does God’s work, I would go to your church, but I live in the state of Maine, a little to far of a drive for me. GOD bless you and your family.” (Cathy from Maine)

Video: Various Videos “Dear Pastor Crone, to introduce myself. My name is Michael, I am based in the UK. I have worked for 15 years in Christian Radio. At the moment I am involved in starting up a new radio project. Which is broadcasting via the Internet and at the moment to 2 towns in South Dakota on AM. I have listened to a lot of your materials. We would like to run a series on Christian basics i.e. for new believers to find their roots in the Word of God and to make a good start in their Christian lives. We do run discernment programmes on highlighting bad or false Christianity and we also have a section where we try to tackle what we call fringe subjects like aliens, ufo's phenomenon, NWO and related subjects. I have listened a lot of your talks and would love to rebroadcast them and therefore I am seeking permission from you to use your materials for broadcasting on our platforms. Thanks for your work—! God bless!” (Michael from UK)

Video: The Final Countdown “Thank you for all your messages, I enjoy every one.” (Lynette from Oklahoma)

Video: Various Videos “Just wanted to let you know personally, that with your ministry, I have finally a pastor that my wife can stand to listen to. That is saying a lot because I have been searching over the internet and put her through quite a few that even I couldn't stand to listen to either. We actually sat down together and watched the entire "Final Countdown" series and the "UFO" series and are now going through the some of the smaller series. Please keep up the "Good Fight." I'm not sure that you actually realize exactly how far GOD is using your ministry to help other. I must put out props to South West Radio Church for first bringing my attention to you and thank GOD that you have been able to answer so many of my questions about what the Bible tells us is about to come without having to actually ask you. Thank you and GOD continue to bless you and your ministry.” (David from North Carolina)

Video: Various Videos “Hi, Billy - I listened to your 3 shows on SWRC on the mark of the beast. Amazing. What really amazes me is your memory! Do you find all this out yourself or do you have researchers who work with you? I am 61 and have been studying prophecy since I was in college at Texas A&M in 1972. That year I read *Late Great Planet* and it did change my life, really. I became a Christian at 9 but I was a hippy by the late 60's. When I read about the Greek word pharmakia being part of the last days, I flushed my lid down the toilet and didn't smoke weed any more. Now it is legal here in CO. I also saw Josh McDowell give a great speech on prophecy at that time. Then in the early 90's I really got heavily into it again when my kids were in public school and I saw what was happening. I met 3 other friends at that time who were also fighting the curriculum and we started into our research. We had piles and boxes - literally of documents, books, etc. about all the things that are coming to pass today. Now almost everything is on the internet. I don't have all that research any more. But I do remember one 'aha' moment and I even know where i was standing. I have an elementary degree so first I had to give up my ideas of the school system and realize why they are using our kids. Then I gave up the idea of our 'great country' and realized who is behind it and what was really happening, and then I realized what was happening in the mainline Protestant church. I grew up Southern Baptist. But - the 'aha moment was when I realize it would not be 'them' who would ultimately be against us, the remnant. It would be 'us' - the 'church'. That was hard to take. I am a musician and recently have had discussions with sweet wonderful United Methodist and ELCA pastors who we performed for about the gay issue. They give me the same sweet reasoning behind why their churches accept it. This is not new. Years ago a United Methodist church asked us to do a bluegrass gospel service but 'don't sing blood songs'. They also had a Christian/Buddhist prayer group. Now it is all coming together so fast. I so clearly remember beginning to listen to SWRC in the 70's and hearing the term 'New Age'. Constance Cumby was on. I also remember going to a record store and seeing a New Age bin of records and saying wow.. Haven't we come a long way toward destruction in a generation? As you said during the Mark, it is in place. Blessings.” (Suzie from Colorado)

Video: Various Videos “Thank you very much. I been out of work for over a year, but watched you online for about 8 years or so now. Keep the word going and thanks. God's Blessings to ya'll.” (Don from Texas)

Video: Various Videos “Pastor Billy, My family and I visited you this weekend we were the family visiting from Southern California we were so blessed by your teaching and how welcomed we felt by you. Pastor Billy, my sons are ages 26, 18, 15 and 12 and they were blown away by your teaching. All we talked about on the drive home was meeting you and your teaching. Looking back on this weekend visiting Sunrise Baptist Church was by far the highlight of the weekend for us. We were in Las Vegas due to a football game my 12 year old had with a Lutheran Church there in Las Vegas and for the last 2 months we were all looking forward to visiting your church. Pastor Billy, you and your congregation is in our prayers. God bless you and thank you so much.” (Ben from California)

Video: Various Videos “Billy Crone is one of my favorite teachers of Bible prophecy. I came across him while surfing the net about 5 years ago. After briefly listening to him, I was thoroughly impressed by the Biblical exegetical skill that The Lord has granted this fantastic teacher of the Word. Billy and the ministry The Lord has entrusted to him are dear to my heart. He has been an inspiration in my personal walk and has personally encouraged me through some of my darkest valleys. Here's one of his latest messages where he is interviewed on Prophecy in the News. In this interview, he discusses diverse facets of real-time prophetic events. May The Lord continue to bless the work of this fantastic ministry.” (Toeknee from Texas)

Video: Various Videos “Hello Pastor, Greetings from Montreal! You must not remember me but I know you because of the help you had offered me 4 yrs ago. I am now a born again Christian :) I'm not perfect but I try to be. Allow me to let you know that God has delivered me from demon experiences I lived and I have not been depressed since 4 yrs when opening my Bible and saying out loud Jesus' name when I feared. So many stories to tell... Anyway, I've also become pretty knowledgeable in Bible Scripture and I'm loving it. Merci! God bless you, your work and your Ministry :)” (Kerry from Canada)

Video: Various Videos “Pastor Billy, my name is Rick from NJ. I have recently been saved by Jesus!!! I have been fascinated with aliens and ufo's ever since I was a kid when I saw Close Encounters of the 3rd Kind. I also have watched a lot of videos on youtube for the past couple years about conspiracies, illuminati, NWO, Zionism, and the list goes on. I came across your sermons on youtube about the demonic ET's and watched videos 1-10 and it all fell into place for me. You explained that when you were younger, you were into drinking, drugs etc. and it's just where I was. I was always chasing the buzz, but for some reason I knew I needed to walk away from it all. Well, I recently did with the help of God and you. You explained all of the things that I knew about ufos and brought to light why these things are what they are. You also explained how we, men and women, need to be not worldly leaders but Biblical leaders. Also, The 12 Marriage To Last videos are just fabulous and I've sent them to folks as a learning tool. I thank you from the bottom of my heart and will continue to watch your sermons on youtube so please keep creating them. I've recently purchased the NKJ Bible and I'm reading it. I want to become a man of God and want to learn as much as I can about what God wants us to do here on Earth. You have opened my eyes and heart to Jesus. Thank you from the bottom of my heart.” (Rick from New Jersey)

I can't wait to move on to the next DVD. So many people today do not recognize what is happening in the world and in the church itself. God Bless you.” (James)

Video: Various Videos “Pastor Crone, I know you probably get these e-mails all the time. But, I just wanted to say I really enjoy your teaching in The Final Countdown series. Especially the ones on Apostasy, I wish more church will get back to the basic (stop trying to sell stuff) and just preach the Word of God! I use to come to Vegas when I was living in sin & when I truly got save, I told myself I'll never go back. However, after hearing your sermons, I now have a new reason to visit Vegas and that's to visit your church. I wish God blessing on your life and your ministry. Very Respectfully, Erica from North Carolina)

I have a former homeless lady from Mexico who I was trying to share this with. Can you help? Thank you.” (Bonnie)
