Video: Various Videos “Dear Pastor Billy, I am spending almost every night within your site trying to learn as much as I can. I bought a duplicator so I can copy your Final Countdown for friends, family and people I work with. Thank you for this site and all your teaching. I have directed people who are also seeking a teaching beyond the cream puff we get at our church. I have now moved to a new home and will close on the sale of my home in October as it is being developed and that takes more time to close on. I want to take some of the proceeds of that sale and get DVD copies or flash drive copies of All your teaching. Is that possible? I have tried to send people to your site but they don't seem to make it so want to take the time and effort to make them copies. I also want to give copies as gifts to my present pastors which because I have moved so far away I now need to find a new church family. For now I am watching your services to get fed but I need a community that I can be with as it is hard to go it alone. I wanted you to know I learned more in the 1st teaching video of Discipleship 101 than I have learned in 20 years at my church. Please know there are many of us starving for this kind of teaching. God willing you can help me to stand fast as this world falls apart. Thank you for your teaching. God keep you.” (Bonnie)

Video: Various Videos “hello mr. crone you have been so helpful to my family and so rewarding your encouraging words are so blessed to have heard you and to be speeding the message people need to get on board like now!! peace and praise yeshua my friend.” (Daniel from North Dakota)

Video: Why Should I Study Bible Prophecy? “Pastor Billy: I hate bothering you again but my heart is so filled that it runs over...I just finished watching your dvd, Why Should I Study Bible Prophecy, I received it in the mail today....I never had prophecy put to me in such a way, as well as the 1000 year Millennium explained to me in such a beautiful and understandable way....the Lion story brought tears to my eyes, as well as envisioning Jesus at the end coming down for us from the heavens, and the song Midnight Cry just made my heart bounce with joy...I have been needing something like this for a long time...Praise God for a messenger like you! your members do not realize just how lucky they are...but then again maybe they do.” (Debra)

Video: Various Videos “Hello I am Lang'at Felix from Kenya but currently a student in China, Liaoning province, Shenyang. I just watched some of your videos and i am going on watching them. I cannot imagine how God is using you to reach us and we go on sharing your videos to our friends. I am touched and praying that God uses you the more. My prayer is, now that we have the knowledge, that we live an endtime life proclaiming Gods glory and not stopping to spread to the world. Amen Halleluhya.” (Lang'at Cheruiyot Felix from Africa)

Video: Various Videos “Dear Brother Crone, I know we are in the last days. I know beyond any doubt that Jesus, my Savior is coming back. The technology that you showed in the DVD set was absolutely astounding. Yes, you are right. Many do not know about this technology and they will be fooled into worshiping the Antichrist. Prophecy is my most favorite topic. I absolutely love prophecy. I have studied Jeremiah, David, Daniel, and Revelation. I love to learn and your DVD's are a real

inspiration. How exciting they are and so full of accurate prophecy from the Word. Thank you for all that you do to warn people about where they could go if they do not follow Jesus and accept Him as their Savior. Thank you for all you do. You really are a great teacher. While watching your DVD's, my husband was absolutely glued to the television. He witnesses to people and the majority of those people do not believe in God. But, my husband keeps witnessing and telling them about what they will experience in the tribulation. He has a heart for the lost. Again, thank you for the fantastic teachings in the Final Countdown. I can't wait to get the rest of your DVD's. May God truly bless you and yours. In His Service.” (Judy

Video: Various Videos “Thank you so much for your you tube ministry. I have spent numerous hours watching and listening to them. I have learned a great deal from them and hope to continue the series "The Truth About Dinosaurs" is great! I have finished #7 and was wondering if there are any additional in this series. Keep up the great work for our Lord Jesus Christ.” (Jim)

Video: Various Videos “Pastor Crone, my wife and I got *The Final Countdown* package from Gary Stearman’s Prophecy Watchers and absolutely love it. We have learned more from the first 6 DVDs than we have from the last six YEARS worth of sermons at our church! We now know that our current Pastor was only preaching messages that “tickle the ears” of his congregation and have made a decision that we can no longer serve in and financially support that church. We are visiting a new church this Sunday and we can’t be more excited. It is no coincidence that we started watching *The Final Countdown* and now *A Christian Response to the Supreme Court Decision* at this time. By the grace of God you have spoken truth into our lives and we will be forever grateful. I look forward to the day I can meet you in person and shake your hand. I will continue to pray for you, your family, and your ministry. Please let us know if we can ever do anything for you or your ministry. God Bless! Sincerely.” (Cole and Cristi from Texas)

Video: Various Videos “Dear Pastor Crone, I wanted to take a moment to offer you a word of encouragement and to thank you so very much for your ministry. I found you on YouTube last year and have been devouring your sermons. I'm currently working my way through The Final Countdown series. Wow! I can't imagine anyone doubting we are close to the end when confronted with the evidence you present. I'm a born again believer and a member of a Church of God congregation. I've loved this church for 14 years but sadly, it's become a bit lukewarm over the past few years. Our pastor now seems to shy away from end-times prophecy topics and there are too many weeks without even an invitation to accept Jesus. I never thought this would happen in this once strong, Biblical church. Another sign, right? My wife and I are now church shopping and it's pretty sad out there. This is the reason I am all-the-more excited to find your ministry. Keep up the good work and know you are reaching and blessing thousands of folks you never realized. Blessings in Christ.” (David from Georgia)

Video: Various Videos “Hi! Peace! Hello. I sent a few days ago a message for you through the Pastor Billy Crone email. I'm from Brazil and I want to subtitling in Portuguese (BR), videos of Bible teaching that the pastor has posted on Youtube. I need

know if you can authorize me to do that. I wait for your response. Thank you! God bless you!” (Luciano from Brazil)

Video: Various Videos “Good morning Pastor Crone, I want to start by saying thank you for your ministry. I am a divorced mom of two wonderful boys. We have been spending the last few years trying to learn the truth in the mists of all the lies. We have been very blessed by your videos. For years we had been attending a church that didn't teach prophecy at all. I struggle to teach my boys the truth without any support from others. God has blessed us with a passion for his word and the Blessed Hope of his return. We also, are among those who cannot find a church in our area who is not like warm and moving into the Ecumenical movement. At this point we home church ourselves. Thank you for your help and for your videos.” (Angie)

Video: Various Videos “Hi Pastor Billy, after going to 12 churches in the area, I think I have found one that I and my girlfriends will go to, a Baptist church not too far away, but it took awhile to find one where I thought the pastor doesn't have his head in the sand. Thanks for your sermons on youtube. I continue to watch them, also with my friends. May God bless you! In God we trust.” (Gwyne)

Video: Various Videos “Pastor Billy. I praise our Lord and Savior Jesus Christ for your ministry. We've been brother in Christ for about the same amount of time. I love what you are doing, and have recently bought "In The Days of Noah". I try and have my daughter watch them with me, as well as my wife. The LORD bless you, brother!” (Sam)

Video: A Christian Response to the Supreme Court's Decision “Thank you for your messages "Christian Response to S.C. Decision". My story is a long one but I will try to make this short. I have a 24 year old son, who has dealt with same sex attraction for many years, who told me 6 months ago that he is in a homosexual relationship. I refuse to use the word gay, as I believe that is a deceptive term from the enemy to make it sound more appealing and not wrong. At that time I told my son, Paul, that I would not then or ever want to meet this other person. Paul has been raised in the church and he knows right from wrong, but chooses to believe otherwise as he is now going to a church that has a Lesbian pastor and is filling his mind with lies from the enemy. I have since changed my mind on meeting his partner, feeling that is not a Christian response, even though I still feel that way as a mother. I am trying to reach out in love, but at the same time sharing my beliefs. Your recent messages have helped IMMENSELY. And Debrah's recent testimony this week along with your testimony and some others have filled me with peace and hope. So THANK YOU for your boldness and courage in speaking out on this. Please pray for my son, Paul. THANK YOU.” (Rhonda)

Video: Various Videos “Thank you for all the work you do to spread God's Word and God's love. Because of what you provide I am able to listen to your sermons almost all night as I work 3rd shift at our local 24-hour Walgreens. I only discovered your ministry two or three weeks ago when searching for new sermons to download. Your messages are a welcome addition to others I have collected. And yours is the only videos I have been able to collect. They are very special and important for my own spiritual growth as

well as a means to share God with others since they aren't copyrighted. I am thankful for the gift God has given you and your willingness to be His vessel. Your plain spoken manner is wonderful and I especially love that you provide the documentation to backup what you say. That in turn provides me with the backup when I share it and therefore serves to strengthen my own witness. I don't have the resources or contacts to obtain all the information you provide nor do I have the means to do the indepth research that I am coming to depend on through your messages. Also, thanks for the posting the DVD quality download on your series "A Christian Response to the Supreme Court Ruling". I have burned and given out 3 copies and will be handing out many more. My income is limited and I can't readily purchase the sermons, but due to your generosity I can download them and am able to make DVD's to distribute. I will be placing thumb drive backups of your messages in the safety deposit box with others. To some that might sound a little crazy, but the messages I have obtained are treasures from God. My most precious possessions are my Bible and all the messages God has given me through the work of godly pastors. If I lose everything I own it is of no regard to me as long as I still have those. And since I work Sundays (every one until recently when my hours were cut) those messages are critical not only to my growth in the Lord but to my witness. I am fed by God through the internet and I know I was led by Him to Get A Life. God bless and place a hedge around you, your family and your ministry. May God bless your ministry 1,000 fold. Thanks for the time you've taken for this email." (Jo)

Video: Various Videos "Hi, Pastor Billy, I really enjoy hearing your YouTube videos and completely agree with you about the yoga issue being an occult practice. I joined a gym and was dismayed to learn ALL the exercise classes I have attended have yoga in them, even though they were NOT listed as yoga classes! What do you recommend doing for exercise? I had hoped to do Pilates or sculpting classes, but that has changed to more of a yoga based exercise class over the years. No exercise class seems safe any more. I attended the Zumba class and even that had occultic elements in it, although it took awhile to figure it out. The dances stop suddenly and there is tons of shaking in the mula dhara region to wake up the kundalini energy. It seems like there is no wholesome exercise class to take these days. It's at the Y of all places, which makes it seem even worse. Thank you for your videos! We've moved a half a year ago and have also had a really hard time finding a good church to attend. Your videos are so educational and inspiring--they have been a lifeline for us! Keep up the good work! Blessings." (Carol)

Video: Various Videos "Hi Pastor Billy, I just recently found your website and I must say, you do a wonderful job when preaching the word of God. I also enjoyed your series on A Christian Response to the Supreme Court Decision. It was very informative. I appreciate Pastors like yourself. It brings me much more closer to our Lord and Savior Jesus Christ. Thank you and my our Lord and Savior Jesus Christ bless you and your family." (Trish)

Video: The Final Countdown "Our 2 year old son asked to watch Billy Crone (final countdown) update tonight. Thanks for the videos." (Tricia)

Video: The Final Countdown “Hey Pastor Billy. I hate that I was not able to make it to the Prophecy conference in Colorado Springs. I know you were a big hit!!! If you're not leaving right away and would like to see a beautiful Colorado mountain town, message me back or call me. My husband and I would live to show you our little town if Westcliffe. And if you're looking for a good place to go to church tomorrow, we are members of First Baptist Church in Westcliffe. My husband is the head deacon and I am the treasurer. We are also teaching "The Final Countdown" in our Sunday school class. It starts at 9:30! What a blast it would be to have you walk in!!!! Just wanted to extend the invite. Saw you on Prophecy in the News and loved what you said about being in New Age. I have a son who is going down that path and I got your DVDs do I could find out more and possibly talk to him better. And because I love bible prophecy. Thanks for all you do to win souls for Christ and for making these DVDs available. I have learned do much and our class loves them since they show actual things today that are happening. !!! God bless you and your family!” (Bette from Colorado)

Video: Various Videos “Pastor Billy, I just wanted to say thank you for becoming a man of God to spread his message in a way that has renewed my faith in him. I have watched many of your video/teaching's over the past few weeks, in doing so I have spent more time in his word and prayer than I have ever in my 32 yrs of life. Thank you.” (Brian)

Video: Various Videos “Dear Pastor Crone I cannot thank you enough for appearing on the show, Prophecy Watchers, all your insights there, and your wonderful website. I have never been more motivated to be the best Christian I can to everyone I know and come in contact with. I have told so many people to go to your website and all appreciate it. Again thank you for all you do for all of us.” (Drew)

Video: The Book of Revelation “Just finished your 64 part series on revelations looking forward to the (updated videos). I prayed to Jesus to tear the veil and he led me to you. Praise God and Thank You.” (Ernesto)

Video: Various Videos “Billy I started listening to you by accident on a podcast back in 2011. Since then I listened to you at work and listened to all of your podcast that were posted at the time. I have yet to find anyone that can explain the bible like you can. You teach with such clarity and understanding. Your personality is an added feature. Thanks for bringing my walk with God closer. The Lord has used you to reach many I assume. You have changed the lives of many that you are not even aware of. I'm one of them. Thanks for allowing God to use you brother.” (James)

Video: In the Days of Noah “I want you to know how much your teaching on Evidence of a Judged Creation has impacted me. I have always been a believer in Biblical creation and the world wild flood, but outside the Mt St. Helen eruption, I have not heard of the other evidence you showed. And tying it all as a warning to our world today is very impactful. I am from British Columbia Canada and just wanted you to know how much your message impacted someone browsing on utube. How many more? I will be watching more of your presentations and sharing these messages on Facebook. In Christ.” (Carla from Canada)

Video: Various Videos “Just want to tell you that your ministry is working here in South Africa. We baptised a dear brother in his swimming pool some time ago....his wife still not buying in....but we pray for her and we told him about your DVDs. Last night he had a gathering at his home.....to look at Billy Crone's DVDs....Praise the LORD!!....So dear brother. I think if you could have your "congregation" at once in one place.....the biggest building will not be able to contain them. Its great!” (Wilna from South Africa)

Video: Various Videos “I've recently found you via prophecy watchers. Love watching! Hopefully next time I visit my sister in Pahrump we can make it over to Vegas to listen to you in person. May God continue to bless you and your family.” (Monica)

Video: Various Videos “I have been blessed by your teaching that I just discovered. I started with your sermons on the final countdown. I have felt in my soul for a long time that we are close and your teachings have opened my eyes so much. It saddens me how blind everyone is to the loving warnings that we've been given. I may find myself in Vegas next year, if so I hope to visit Sunrise and perhaps say hello...if we don't meet in the clouds first. God Bless you.” (Shane from Texas)

Video: A Christian Response to the Supreme Court's Decision “You really hit it out of the park with the videos about Supreme Ct. decision on gay marriage. I have shared with others. My friend in Australia who doesn't have a strong evangelical bent, a little more mainstream, said this: *"I have watched them. I have watched them again and again. And passed them on to my family members and friends. Brilliant."* The churches are not preaching about this, Billy, like you said. I wrote the pastor of the church we attend that I was sorry we didn't hear about the Planned Parenthood videos from the pulpit. Pastors are scared, I guess. So, you keep preaching it. Honestly though, I think it will take great suffering before the pulpit addresses these issues, I sadly am not expecting revival, unless there is great suffering. You honor God so much by putting these videos online for free, and you don't even sell vitamins or generators or packaged food....haha. So many online may preach some truth but they peddle their wares too much and it distresses me and makes my heart sad. Keep up the good work. Thank you, Pastor Billy. Love.” (Janet from Indiana)

Video: The Book of Revelation “I love you brother, my wife and I are watching your Revelation series. Only one question...please let me in on the chicken jokes? Blessings and shalom. Your brother in Christ.” (Ned)

Video: Various Videos “Hi Billy and thanks for all the great work. I'm a new Christian (about 9 months now) and you're one of my favorite speakers. Maranatha. God Bless.”

Video: Various Videos “I have just started watching some of your messages as led by the holy spirit, and I wanted to express my gratefulness to your ministry for speaking the truth, it is a rare thing amongst us as Christians for this to be done these days. I will pray for you and your family because the time is upon us to truly live what we preach and or read about. Blessing to you and your family in the name of our Lord and Master Jesus Christ. Amen.” (Angelo)

Video: In the Days of Noah “I was looking up information on pre flood existence, culture, and life and i came across your videos... I didn't know you are based out of Las Vegas and i would like to attend a service and also talk to you about some information concerning pre flood life and also probably the best evidence that the flood really did happen... If you can email me back when i can attend a service that you will be at and also speak to you about this I would greatly appreciate it. Thank you and God bless you.” (Zach)

Video: Various Videos “Good Morning, I'm sure pastor Billy has enough emails, so I thought I would ask you first. My name is Darby O'Flannery and I am the Men's Leader for a newly developed Men's group. The Lord led me back into the ministry (after walking away from a music ministry...long story of repentance and redemption...) To begin a men's group to prepare Men to become who God has called them to be...Warriors. Warriors to lead their families, communities and churches...anyway! (Sorry, being Irish I tend to be long winded) I have several of the "Final Countdown - Updates" for the Men to begin getting taught during our meetings on wed nites...the long awaited question is; Is there study sheets/guides? I am serious about feeding the Men on the truth that Pastor Billy has shared. Thank you for your valuable time!” (Darby from Indiana)

Video: Various Videos “Dear Pastor Billy, I live in Toronto, Canada and I felt compelled in my heart to write and express my gratitude to God for using your online messages in my walk. I am currently looking for a church where the word is preached in the manner you are doing but that's elusive it seems in Toronto! I am not trying to sound critical or judgmental however the Bible is God's word and is definitive truth which is being altered at the pulpits to accommodate grave sins of which I have had to step away from. But our God is amazing and He will help me find a good solid Bible believing church soon! Thank you from my heart for preaching the truth in love! All His blessings to you and yours! Marantha!!” (Pamela from Canada)

Video: Various Videos “Hi Pastor, I have heard you on radio and probably a few of your video presentations, offer information on how to get our kids out of the public school system. Although a little late, my daughter has expressed a desire to leave the school system, and I would like to get your advice and a few suggestions on different Christian based home school programs available. This is actually an answer to my prayers- we had to take her out of private school when she was in 5th grade. Anyhow, any information you can offer will be greatly appreciated! Keep up the excellent work on your video presentations, I thank God you are doing these, as I watch them all the time, and sometimes the family will watch them with me, as that is the main reason I bought them; I don't need to discover what an awesome God we serve! In Christ.” (Sam)
