Video: Various Videos “Hey Pastor Billy, I'm a recent high school graduate from Eagle River, Alaska. My family has been watching your videos for a few years now, and the information you've put together has been a huge help in building up our faith and the defense of it. We have every box set of studies you've put out so far (I think), and I personally love your study on Creation, having referenced it myself in more than a few conversations and debates on the topic.” (Erick from Alaska)

Video: Various Videos “Hi Billy, please allow just a moment to tell you how much your work has meant to me and inspired me. I love bible prophecy, Revelation, end times anything, and also your UFO videos. I think I've watched just about all of them! I live here in Las Vegas but just haven't made it over there yet. Thank-you for all that you've done and are doing, it's just invaluable to those who are searching for truth in a lost and confusing world! I hope you will continue to investigate and get the word out about such important issues! Thank-you! God Bless!” (Kristi from Nevada)

Video: Experiencing God's Peace “Hello Pastor Billy! You may be surprised to learn that I actually live in England - waaay down in Cornwall, in fact near Land's End, the very toe tip of England. I have just finished watching 13 of 16 - Experiencing God's Peace - A Misplaced Understanding Part 3. I have to say I laughed loudly and spluttered on my laptop screen when you told the story about the groom with the smelly feet losing a sock in bed - so funny! I digress. I smiled when you said where we live is an opportunity to witness to our neighbours as someone said the same to me when I first moved here. The whole thing is a wonderful testimony to God's Grace and Glory and which I hope to be able to share with others one day. I so enjoy watching your videos. I started at the beginning and realised I would always be behind, so now I'm working my way backwards from the most recent ones instead! Last night I Googled the address of Sunrise Baptist Church and went on street view. I was amazed to see that there is very little grass, but smiled when I saw the stained glass windows which are behind you when you present your videos. God bless you, your walk with God, your ministry and your family. May He continue to use you mightily and to His Glory! Kind regards.” (Deborah from England)

Video: UFO's “Thank you for the series on UFO's! I've always wondered about them, but always dismissed them as I am a follower of Jesus. But I must say my eyes have been opened to the last day's deception. Now my mother and sister is watching them. When my mother is done she is giving them to her pastor who wants to watch them. Then they are giving it to a lady named Diane who "follows" UFOs and thinks they are good and friendly. May God continue to bless you and your ministry Pastor Billy. I am re-ordering the UFO series.” (Carol)

Video: Various Videos “Hi. I was wondering if the Pastor had any notes or study guides for his sermons. I listen to his sermons just about every day but there is so much information packed in them that I listen to each one between 2-4 times each. I came out to Sunrise 10/9 and loved it, however driving 4 hours each way is not sustainable. I have been praying about moving to Las Vegas to attend Sunrise Baptist regularly. I have a husband that is not saved, and a son on the Autism scale who doesn't like change. What will be will be, but I really would like to make Sunrise my church home. Growing in

Christ everyday. Hope to visit again in the next few weeks. Sincerely. ((Mellinda from California)

Video: Various Videos “My husband Dave and I watch you on roku just about everyday. You are an inspiration to us. I wish you could speak at our church in Fernley, NV. God bless you!!” (Carol from Nevada)

Video: Conference “Pastor Bill, I want to Thank You for your for your service to God and using your gifts to edify believers! My wife and I attended the east coast prophecy conference in Gettysburg. It was the first time we attended and we were blessed! I mentioned to you I was discouraged with things pertaining to our church moving in a bad direction and You reminded me to not look to people, but focus on Christ. I needed that as well as the encouragement of the other believers there. I run a construction business and can appreciate the amount of effort you put into the study and travel, so once again Thank You for your commitment and service! The biggest thing that stood out for me was the importance of sharing the gospel! please pray for me to do just that and I will be praying for you also. God Bless to you your family and church!” (Bob)

Video: Various Videos “Billy, I am an ex-new ager who gave my life to Christ in August. I have been watching all of your videos. Thank you so much for putting this information out there and taking the time to do so. Great videos!! I wish ALL new agers could see them and all churches. Those of us who get to see your videos and sermons are lucky and well informed. Great job and right on!” (Julie from Arizona)

Video: Various Videos “Hi Pastor Billy, thank you for all your efforts in educating those of us who are only able to watch via youtube and livestream. Your studies are phenomenal, and come at just the right time.” (Nate)

Video: Various Videos “To say that our testimonies are similar would be a understatement. Though I was not the one dealing in the occult. I still had to battle the demons and found only Jesus and his angels had the power to eliminate the infestation. Oh the stories I have but that was another life ago. I no longer suffer from that oppression. Thank you Lord Jesus. I just wanted to reach out to you and thank you for what do and God bless you for making your studies available. I don't expect to hear from you, I just wanted to say thank you and that I appreciate your calling as a shepherd and watchman.” (Mark)

Video: Various Videos “Hello Pastor Billy, thank you so much for your prayers for my family and myself and for the link to the marriage study you did - I will check it out. Dorset is about 180 miles (3.5 hours) away from me. As you would say - if you're looking at a map of England and you find yourself in Dorset you need to hang a left and keep going south west down the coastline until you run out of land and you'll be at Land's End where I live! I have been watching the live recordings on Youtube and corny as it sounds, actually feel a part of the Sunrise fellowship. I really enjoy this and as I don't have a church family (and please forgive me if I'm out of line here) would you be my Pastor please? Tonight when you said, 'God is powerful right, so once again turn to

somebody and say that - hey, BOOM!' You had one response from the congregation, but I said it too and it made my dog jump! I watched your Wednesday night teaching with interest as you talked about New Age Holistic methods of 'healing'. You didn't mention EMDR which I have just found out stands for *Eye Movement Desensitization and Reprocessing* and I'd like to know more about it and if it's something I should steer clear of? I've been diagnosed with PTSD and prescribed counselling. The counsellor wants to help me by using EMDR and stressed that it is not, definitely absolutely not, hypnosis which made me suspect that it actually is. How did the Deception In The Desert Conference go? I prayed and was thinking of you all. Will any of it be aired on Youtube? Thank you for your precious time, Pastor Billy. May God bless you, your family and your ministry and use you to His Glory! Kind regards.” (Deborah from England)

Video: Interview “I have come to greatly respect your ministry as I keep seeing you on Prophecy in the News. The research and work you have done to educate us saints is greatly appreciated!!! I just wish more Christians would move out of their "rational" worldview and develop a sense of understanding more of the unseen realm and the truths of prophecy. I was watching your latest update with Dr. Clarkson and had to interrupt it to send you this note. Yours is a ministry of hope, and of warning. Thank you for showing us how close we are to the Rapture of the Church! God bless your ministry!!!” (John from Iowa)

Video: The Book of Revelation “Good morning Billy, my wife (Sue) and I live south east of the city of Birmingham in the middle of England. We live in the town of Rugby (where the game of Rugby Football was invented) - it's about as the middle of England as you can get. Hope all is well with you, your church and ministry. We are still working through your Revelation series on DVD and hope to complete it by the year 2049 !! ;-)
God bless. (” (Richard & Sue from England)

Video: Various Videos “I am writing a Christian book and would like to get permission to quote or paraphrase some of your information from your one or two of your youtube broadcasts. Do you have a form for me to submit on this or would you just say go ahead and use the material in my book. Thanks.” (Oleson)

Video: Various Videos “Hi Billy and co. I discovered your teachings about 6 months ago. I enjoy your upbeat, energetic style of preaching, the silly jokes which have made me laugh many times and your zeal for our Lord. I also am deeply encouraged by your testimony and amazed at Gods supernatural ability to take you out of the situation you were in, set your feet on the Rock, cleanse you and use you mightily. That means there is hope for others including backslidden Christians. About 19 years ago , I left home to do some travelling. I grew up in a christian home with christian values and I also had a personal commitment to Jesus. I was only 18. Unfortunately I wasn't grounded in my faith know that your ministry is a huge, huge blessing. I am in the process of burning and distributing media from your website as I too recognize the late hour in which we live. I have bought hundreds of DVDs and will take the time to burn media and distribute them in letter boxes. If they reach just one person - that is good enough for me. That is one

eternity that is saved. Please continue to be on fire for the Lord and stay very close to Him in these perilous times. Your sister in Christ.” (Bea from Australia)

Video: Various Videos “Aloha: I'm the guy from Hawaii who lives in China that you "partner with." You folks blessed me with many DVDs a couple of years ago. I've since been able to get the files downloaded so I can burn them. We have burned hundreds of them. Keep up your good work. You are a motivation for me as I work basically alone here. I meet students from Russia to South Africa and scores of countries in between. It's so good to have truly Biblical materials to share with them. I so appreciate that you are not straying from God's word. Over the years I've bought material only to throw it away because the pastor/teacher has become apostate! I will also burn and share with folks in Hawaii when I go back for a month early next. I will have my daughter order your book & DVD before I head back in a couple of months so it will be there when I get there. God Bless and again thank you for all your hard work and energy that has blessed me and hundreds of others here in China.” (Les from China)

Video: Various Videos “Dear Ps. Billy, many thanks for your teaching on a marriage built to last, it is such a blessings for lagi me and my wife. I also like all your endtimes teaching as i am called to be end times teacher as well :-)” (Davy)

Video: The Rapture “i really like your rapture videos pastor billy! Not just saying this either! i always believed in a pre-trib rapture (our church does too) but listening to steve quayle and pastor lankford just to name a few who say there is no rapture, made me really doubt myself that i was looking at the scriptures correctly. so i bought terry james new book which is very good, and then your rapture package! thanks so much for getting me back on track! the scriptures show it's a slam dunk! thanks again, God bless you pastor.” (Gary from Virginia)

Video: Various Videos “Hi, I found you just by chance on my roku. Good stuff, I enjoy your teaching. I'm watching your episodes on ufo's and the news clips about the military pilot who died chasing a ufo is from my hometown news Channel, small world huh ? Thanks, God bless.” (Mavin)

Video: Various Videos “Thank you for getting the end-time and salvation information out. My husband found you on youtube not to long ago and now my whole family is hooked on your final countdown messages. We live around the "Bible Belt area of Chattanooga, TN" which someone would think there is an abundance of sound/true/in depth preaching but there really isn't so having your videos to watch is a breath of fresh air... Praying for you, your family and ministry...Sister in Christ.” (Brittney from Tennessee)

Video: Various Videos “I just wanted to say 'thank you' for all you're doing. There's no doubt the gifts our Lord has bestowed upon you that you're putting to fantastic use. Just wanted to take a moment to express my gratitude and appreciation for your service to our Lord. In Christ and your friend.” (Dennis)

Video: Various Videos “Dear Pastor Billy, thank you for your excellent sermons that are so readily available. We are from South Africa living in Canada now, and have struggled to find a church teaching what we need to know. We now listen to online sermons from our church in South Africa, as well as sermons by yourself and also John MacArthur. Recently, my husband and I decided that we would like to be a part in spreading the gospel in a different way. We are not good speakers, but we are willing workers, and we were hoping that you might have tracts/brochures/ messages that we could deliver to peoples doors in and around our area. Something that tells the world (Christian or non Christian) that our Lord Jesus is returning soon. Something that can capture the attention of people who have never heard the gospel, but also those who have heard it. It would be wonderful if your email address is also on the message/ brochure, in case the person receiving it has questions. We live in Calgary Alberta, with our recent government changes, Calgary has the highest percentage of job loss that it has ever had, consequently, so many people need encouragement. I look forward to hearing from you. Kindest regards.” (Linda from Canada)

Video: Various Videos “Are you going to be at the Dallas conference in March? The 1st time I met you was last year and I had my 2nd stroke. I started studying prophecy in Spring 1976 and to date you are the best prophecy expert I have ever heard.. I hope to see you at the March conference. I purchased you rapture series. Could not wait any longer. I believe during the Millennial period we will find a majority became Christians after watching your videos. I feel blessed having met you and watching your videos. God led me to them after my son died and my love and faith in my Lord and Savior is main reason I am sill here but listening to your videos also helped me study Gods words and to not grieve I would see Rich. (long story why I questioned this but no longer) God bless you and yours on the work you are doing.” (Terri)

Video: Various Videos “Dear Pastor Billy My name is Stephanie, and I live in Alberta, Canada with my husband Rodney. I found your ministry online and I am pleased on how you explain issues and topics regarding the church, the world and the bible prophecy. We both are inspired as we watch your studies on our Roku box. On your website I have noticed that you are coming to Calgary, Alberta in April 2017, Rod and I both plan on attending the conference for the weekend. I have well known brothers and sisters in Christ who are either involved with the signs and wonders movement, are practicing yoga, and feel that Islam is a peaceful religion. I am not at all slandering my brothers and sisters in Christ, I just am bringing them up so that you and the congregation can life them up in prayer. We are indeed living in the last days, I have a feeling in my soul that something is in the air, and I pray that my fear of man will diminish and my fear in the Lord will increase. I do evangelize to people about the gospel. I am looking forward to the documentary The Rapture...Don't Be Deceived. I hope that this will be the year in which the Lord Himself will catch us all out of this world of madness. sister in Christ.” (Stephanie from Canada)
